The National Forest System Trail Stewardship Partnership Funding Program Application

The National Forest System Trail Stewardship Grant Program is intended to engage volunteers from trail and stewardship groups across America to increase the current level of trail maintenance accomplishment and decrease the trail deferred maintenance backlog on the National Forests. This is a collaborative project of the Forest Service, the National Wilderness Stewardship Alliance, the American Hiking Society, the Back Country Horsemen of America, the International Mountain Biking Association, the Blue Ribbon Coalition, and the American Motorcyclist Association.
